#### **INSIDE A BARELY LEGAL GIRL**

Hev! It's me. Lindsev. You guys, there are a lot of things I love about my job, but the thing I love the second most is, it never gets boring. With every new issue, I make new discoveries about myself.

For instance, this month I discovered that my favorite flower is the lily. (See pages 22, 50, and 82.) I found out that pit hair can be sexy. (Thanks for letting me sniff yours. Emmal) I learned that the sweetest-looking girls can be the biggest anal-sex fiends. (Looking at you, Audrey.)

Of course, there are some things I've always known about myself. I've always been into four-eyed nerds like Anni, and secretly naughty cheerleaders like Keri, and kinky kitty cats like Jade. But I never get bored looking at incredibly cute and hot girls. In fact, that's the thing I love third most about my job.

Oh, are you wondering what I love the number-one most? You, of course. Always! :)

Kinky stuff. Fuck my mouth hard. Tie me up and spank me until my ass is red.

No, I like to do the spanking, too. Jenna Sativa (Anniversary 2015) loved getting spanked by me. I don't hold back at all. What's your best sex talent?

Deep-throating. I can take your cock way deep down, until your balls are squished against my chin.

Do you swallow? Yes.

On my face or inside me. Have you ever had a threesome?

I've had threesomes with two guys and with a girl and a guy. Double the fun!

Rough. I want to be your anal slave. Do you actually like the way anal feels?

Yes, it's intense and dirty.

What was your best anal sex?

When I got fucked hard in the ass for 20 minutes straight, I felt like I was having an out-of-body experience!

Did the guy come in your ass?

No, in my mouth. Yum! Audrey, so dirtyl

If it's not dirty, you're not doing it right. :)

What's next for you? Right now? I'm feeling horny! I'm gonna go find someone who wants to play. :) \*

#### Dear BARELY LEGAL

The November 2015 issue was amazing. I'd love to see my thick, creamy load dripping off Ally Brooks's lovely face, although I would definitely shove my cock back in her mouth. I think her ass needs my cock deep inside it.

Kenna James sounds like one kinky girl. I would love to tongue-fuck her ass while she's got a mouthful of my cock. If have to fuck her from behind in front of a mirror so I could watch her pretty face and those pointy-nippled tits bounce as she squirts all over both of u.

The lady who really made me rock-hard was Sandra. I would fuck her until all her holes were

#### Dear BARELY LEGAL,

I have been a collector of HUSTLER BARELY LEGAL for many years now, and I have seen all the beautiful women that have graced your pages, but Ally Brooks is in a league of her own! I truly hope that she does exceptionally well in her porn career, as I hope to see more of her in the future.

I would love to win Ally's panties to hang them in my man cave and make all of my friends jealous. I am saving the issue to place it in a shadow box with them, as this will become the centerpiece of my HUSTLER BARELY LEGAL collection. W.J.E.

Tennessee

#### Dear Naveen.

You are certainly a very, very pretty girl. You said in your interview that you "love" your "hips," and that the "shape" of your body turns you on. I can relate to that, Naveen. The shape of your body turns me on as well.

I would just LOVE to have your panties. As soon as I got them inside my apartment, I would take them out of the package and I would automatically start saffing them, tasting them, sucking on them, while I jack off my cock! If you saw me you would think I was crazy, biting them, ripping at them, attempting to devour your every smell and your every taste in them, just as I you were still in those panties.

Just in case I don't win your nasty panties, Naveen (I hope I do, though), could you please send me a pair of your panties anyway? I'd also love to get your panty girdles, pantyhose, tights, Undercos, and Underalls. Maybe you were going to

sore and filled with my cream. I'd be willing to bet there is an inner naughtiness in her. She has the look of a totally submissive and kinky girl. I'd love to be her daddy and spank that amazing ass. I want to make her come while I hold her in the air, against the wall, with her legs on my shoulders. I can almost feel her young, sweet juice dripping on my nuts.

Thanks for a great issue! BL rocks! P.S. Are any of these girls on Facebook? and the sexy, lovely young girls in this issue. I've been a subscriber for many years of BARELY LEGAL. Please tell the girls who pose and show all how much they are appreciated by all of us men. and especially us seniors who are widowed. Yes ladies I'm looking at your beautiful faces, proud breasts, and your so-arousing open and closed pussies.

Ally Brooks, you know how to show off your sweet pussy on page 14-the major lips pulled wide so the inners open up to show the opening of your love tunnel, your clit pops out, and even your pee hole is visible. Everything that screams "I am a woman eternal" so turns me on. Thank you. Ally.

Teen Queen Kenna James, you're so beautiful. I know you will make a great vet. Every time you, Lindsey, appear, I

love it, I feel like I know you personally. Please, more of you. An all-Lindsey special issue would be so wonderful for all us loval fans of BARELY LEGAL. The interns could fill in the rest

if not enough of my sweet Lindsey is available. Take care and God bless all of you at BARELY LEGAL

California

SC Missouri

S.C., Kenna is DEFINITELY kinky-you can see her cuffed and collared in the January/February 2016 issue of our naughty sister magazine. Taboo! Talk about submissive!

I don't know if the girls are on Facebook, but you can follow Kenna and Ally on Twitter: @kennaiames21 and @allybrooksxxx. You can follow us. too: @BarelyLegalMag. Come by and say hil -Lindsey

#### Dearest Lindsey,

Must rush off a brief note to you with my appreciation of your photos in the November issue, especially the full-page camel toe. In addition to your own photos, your choice of Kenna James as Teen Queen along with Loni and Naveen made this issue one of the best in 2015.

Actually, after reviewing last month's, I wondered what had happened and feared you had run out of attractive models. So I am glad it was just a momentary dry spell-perhaps due to the lack of rain in California.

Lindsey, should you ever again fail to find great models, please remember your own photos will always make me happy! Thanks again for a great issue! Lenny

by Internet

PHEW! That's me breathing a huge sigh of relief! Lenny, you are one of BL's most loval readers. If I can't make you happy. it's time for me to retire my FBI (female body inspector) badge! -Lindsey

#### Dear Lindsey,

I got my November 2015 issue in the mail a few days ago and have had to satisfy my aroused manhood many times to you

Aw, K.P.-thank you! I don't know what else to say except-

#### Are you bisexual?

I'm not bisexual, only bi-curious. Waiting for a girl to seduce me, perhaps? What kind of girls do you like? Out of the ordinary. Have you ever fucked a stranger?

It takes more than looks to turn me on, so I tend to know the person at least fairly well. What's the best way for a guy to pick

you up? Impress me with actions instead of

words. How would you describe your dream

date? A weekend camping with wine and sunsets and music and blankets. What's your favorite fantasy?

My ultimate sexual fantasy is a threesome with Jack and Kate on Lost. What is your ultimate goal in life? To appreciate every experience, good and bad, and to always be growing along life's journey. \*

ey, everybody! It's Stacy the intern. The last time we saw high school senior Anni (September 2015), she had just started modeling. Now she's a model and BL's social media intern!

Hey, Annil How do you like being in charge of BARELY LEGAL's Twitter page?

I LOVE it. I get to hear from BL fans right away. As soon as they see a photo they like of one of the girls, they tell me. It's like having a conversation.

I'm just a teensy bit jealous. But I still love it here in the poky old print world.
You should! You get to have conversations with hot

models.

Yes, like you' I thought you were the cutest girl with glasses ever, but you're cute without them, tool

That's a relief! I have to take them off sometimes.

PHOTOGRAPHY BY CLASSY CONTENT

#### like for sev?

Yes—especially sex in the shower. ;)
What if a guy asks you to leave them on?

Then I do. If that's what turns him on, I'm totally into it.

Do you let guys come on your glasses?

that way it doesn't get in my eyes.
Do you ever swallow?

Yes, all the time. We girls do it so casually, but it's a really dirty thing to do, if you think about it. So of course I love it!

What's your favorite way to fuck?

All ways, but I love anal the most.

I'm seeing a pattern here...

LOL! Yes, for me, the dirtier the sex, the better. But I'm a very nice girl outside the bedroom. Come say hi on Twitter and you'll see how nice I can be. ;) \*

# GIMME AN A!

### A BARELY LEGAL CONFESSION . BY KERL HOPE DAVENPORT

men you're a high school cheerleader, you're an automatic role model for all of the non-cheerleader girls in your school. It's just a fact.

I take this responsibility very seriously. I never drink, smoke, or do any drugs. (Chocolate doesn't count, right? LOL!) I get awesome grades, all As and Bs, except for that one C- in chemistry. I mean, I'm not a robot

I have an amazing boyfriend named Brandon. He's on the football team and the wrestling team, so I get to cheer him on for two seasons. Yay, Brandon! We never had sex, but I gave him oral, many times. (Oral is okay because technically we're pre-engaged.)

All of the other girls at school also have pre-fiances, or at least steady boyfriends, and only do oral and don't slut around. just like me. Sometimes it feels like they copy me too much. which can be annoving. I mean, really, Tiffany? You have to wear your hair in two piggies even though it's clearly not long enough? But, at the end of the day, imitation is the sincerest form of flattery.

So anyway, I have to watch what I do, because of my followers. But temptation is everywhere-and mine came where I least expected it.

One night, after a wrestling match, I was waiting outside the boys' locker room for Brandon. He was taking for-ever, so finally I just went in. I found him sitting alone on a bench, still in his uniform. Can I just say, nothing turns me on more than seeing Brandon in spandex. It shows everything, if you know what I mean. Plus, his skin was still all sweaty and alistening, which I love. A certain someone was definitely getting a BJ as soon as we got to his car!

"What's taking so long, babe?" I asked him.

"I was just waiting for everyone to leave." He pulled me down onto the bench and put my hand in his lap. His penis felt huge. No surprise-winning always gives him an erection. But usually he waits until we're alone somewhere.

"I want you to suck my cock right here," he informed me. I would never use that language myself, but I have to admit

it gives me a little tingle when Brandon does. "We can't do that in public!"

"We're the only ones here," he said.

He leaned in and kissed my neck-my total weak spot, and he knew it!

"I guess if you're sure we're alone..." "I'm sure!" he said. He stood up and pulled his uniform off.

He was so hard. Resistance was futile! I got on my knees and put his peen in my mouth. It was a bit funky from his wrestling sweat, but I didn't mind. I sort of secretly liked it, actually, (Which I can't believe I'm telling you!)

Brandon grabbed my pigtails and pulled my head in tighter, until I gagged. He was being such an animal! I tried to keep up, sucking and bobbing on his boner. As usual, my coochie was tingling like crazy—the only downside to giving Brandon BJs. I couldn't wait to go home and take care of myself down there I sucked faster

"Whoa!"

Brandon vanked my head away from his crotch.

"Let's try something new." he said. He laid down on the bench on his

back. "Now get on top and keep sucking."

Hmm—what was he up to? I climbed on, my butt pointed at his face, and put his penis back in my mouth. Ah-ha! That sneaky Brandon! This was a much better angle for B.ling.

I had just managed to get his boner all the way down my throat when I felt my cheer skirt going up around my hips. Oh, no! Brandon would see the wet spot in my undies and say that was a reason to have sex.

Sure enough, he poked a finger at the puddle in my panties.

"Keri, you are so ready to fuck."
"Not emotionally!"

"Let me just lick it, then."

"Fuck my ass!" I begged.

I'm not dumb. Cunnilingus is a total gateway. "You won't stop at licking!"
"I will!" He wiggled his finger inside me through my panties. "Please,

baby. You give me so much pleasure. Let me return the favor."
I can't resist Brandon when he uses his soft voice. It's how my first-ever
BJ happened! I said okay, and he yanked my undies down and stuck his

tongue in my cooch.

You guys—what a feeling. It was kisses on my neck times a hundred. I

wasn't even worried about it turning into full-on sex, because no way was I going to let Brandon stop licking. It was too good!

Everything would have been fine, but Brandon decided to get creative.

Before I knew what he was doing, he slid his tongue up between my pussy lips and aimed it right at my butthole.

Oh. My. God. You know how you should never stick a fork in a socket?

Don't ever stick your tongue in my butthole! It's the same reaction!

My body vibrated so hard I thought it would split apart. Brandon loved
it. I was completely at his mercy. He swirled his tongue around. I squirmed
like I wanted to get away. but I so did not want to get away!

Coochie juice was dripping down my thighs. I never felt so turned on in my life—which is my only excuse for what happened next.

"What?" Brandon froze, in total shock.

"Fuck my ass!" I was hysterical. "Fuck it!"

"Um—okay!" He slid out from under me, stood up, slowly rubbed spit on his cock...

"Oh my GOD, Brandon." I yanked my cheeks apart. "Come ON!"

Finally he jammed his dick into my asshole, stretching it to the limit, filling my insides, burrowing deeper and deeper. My body trembled uncontrollably. I could barely keep my shaky legs from crumbling. It was the best feeling ever. I wanted more!

"Harder!" I pleaded. "Fuck my ass harder. Tear it apart!"
Brandon rammed his dick into my butt. I clung to the bench, slamming

my body back to meet him. I couldn't get enough.

As Brandon pounded away, I rubbed my clit. My fingers were gooey

with girl jizz. My head spun.
"I'm going to COME!" I announced.

That put Brandon over the edge. Just as my pussy gushed, he blasted

inside my ass.

I laid there on the bench, squeezing my cheeks together, trying to hold Brandon's cum in. I didn't want it to be over. This was a one-time thing, a slip-up. I couldn't do it again—not until that ring was on my finger.

Except—Brandon was wrong. We weren't alone in the locker room. His teammate Joshua saw and heard the whole thing. He went straight to his girlfriend Jenn, the top of our cheer pyramid, and said, "If Keri can do ana!"

So of course that made it okay for Jenn to do anal, and then it was okay for Kira, and then Simone, and then Alex, and then all the girls on the squad, and then all the girls in the school, even Tiffany. And guess what?

Yep—we're now the bad-girl school. Whore High. We have the worst reputation in the county. Worse even than the Catholic schools! Those girls haven't made it to anal yet.

And it's all my fault. But I guess I can take pride in the fact that we're the best at being bad. And I get to have all the sex my butt can handle. (I'm still saving my cooch.) ★

ello again! It's Stacy the intern. The last time we saw porn cutie Emma (October 2015) she had an itty-bitty bush. Look at her now!

## Emma, your bush has grown clear

up to your armpits! LOLI I love going all natural. I don't

think I'll ever shave again! What do you like most about posing nude?

It makes me feel sexy, and I know when my photos are published. other people will find pleasure in

them as well. I love it! What do you think is your best physical feature?

My smile, because it's contagious. How often do you masturbate?

Daily :D How do you masturbate? Very well.

What turns you on? CONFIDENCE, passion, and intelligence.

What turns you off?

Laziness and closed-mindedness. Do you like oral sex? I love it. While usually it's a very

submissive act, I know when I'm on my knees and I look up into his eyes-I'm in complete control. Are you a spitter or a swallower? Swallower, I'm not a waster or mess

maker. What's your favorite position?

Missionary with my feet on his chest. How do you like to be fucked?

Sensually.

What's the best way for someone to make you come? By not asking me to talk dirty, LOL.

Where do you like a guy to come? I like the sensuality of him coming inside me. It's a huge turn-on. Are you bisexual?

Yes! Any time I find a woman who I have chemistry with, it's absolutely

What kind of girls do you like? Confident and natural. Definitely not the "ditzy-because-guys-think-

it's-cute" type. What kind of guys do you like? Confident and laid-back, but very driven when pursuing their passions. What's the best way for a guy to

pick you up? By not trying to pick me up, and let-

ting it happen naturally. What's the absolute best sex you've

ever had?

#### **DANI DANIELS & LILLY BANKS**

### the art of the tease

ey! It's Abby the intern. Porn stars Dani and Lilly just taught me a valuable lesson!

Danil You aren't really going to let Lilly shave your pussy, are you? Dani: Why not? I've been thinking of doing it for a long timeand it's a lot sexier having a hot girl handle the razor.

#### But why shave?

Dani: Because I think it will make my pussy more sensitive when someone licks it. Isn't your pussy super sensitive, Lilly? Lilly: Yes! All I need is a tongue tip down there and I explode. [Brushes shaving cream on Dani.]

Lindsey's going to kill me if I let a hairy girl go bald in our pages! I can't look! [Hides eyes.]

Dani: Oooh-that feels amazing.

[Peeks through fingers.] Heyl You're still furryl Lilly: Mmm-hairy pussy always tastes extra good.

Dani: You totally fell for it. Abby, I'm not going to shave my bush! Why would you tease me that way?

Dani: Don't you feel great now that the teasing is over? Yes, but...

Dani: I love being teased. The longer I'm teased, the wetter I get. Teased how?

Dani: My favorite is being tied up so I can't move at all, and the guy holds his hard cock near my mouth, just out of reach, until I'm squirming in a puddle.

Lilly: I like when a guy kisses me all over until I'm begging him to fuck me, and he just keeps saying no.

Those things sound mean to me. Dani: Abby, for your job, you watch a lot of girls have sex, don't you?

Yes Dani: Do you ever join in?

Of course not! I just watch and-play with myself a little. Lilly: And how are your orgasms?

[Closes eves.] They're huge.

Dani: See? Now sit back and let us tease you! \*

ne afternoon last summer, 18-year-old Dawn stood in her driveway, trying to fix the bicycle chain on her Schwinn. Her summer dress inched up, revealing the shapely teen's butterfly-patterned panties. Dawn's perverted next-door neighbor, Hobart, leered over the hedges.

"I'd buy that for a dollar!" he slurped.

Dawn fold the toothless fucker to blow himself, but Hobart's prophetic words echoed in her head. Would desperate losers actually pay money for her panties? Could she quit her job at Arby's and work from home? All Dawn needed to realize her dream was a dozen pair of cheap panties and a little faith.

Six months later, Sniff My Undies was a booming mall-order business. Dawn carries underwear to satisfy every taste, from lightly sweaty, white-cotton parties to nasty, black-lace thongs that reek of pusy paste and pee. For her clean-freek clients, Dawn takes a bath and slips on a pair of cotton, heart-patterned underwear and wears them long enough to leave a trace of girl.

Dawn's boyfriend, Joe, likes her panties too. He wraps them around his dick and jacks off. After he smears his boy milk all over the crotch, he lets Dawn wear them. Dawn loves the feeling of Joe's warm jizz slathered against her slit. At of of undergarment festihists would pay big bucks for those twice-worn undies, but Dawn would never dream of selling them. There's a fine line between business and olessure.\*
